At the New York Chautauqua Mrs. Harriet Glascock Hull captured the prize offered by the Assembly for the best impersonator in the annual contest.

**WHEAT WANTED!**  
To buy 50,000 bushels No. 2 Wheat. Apply at Old Gold Mills.

**ABERDEEN'S GREAT LOSS.**

Large Amount of Property Destroyed This Morning.

**FIRE WAS OF INCENDIARY ORIGIN.**

Last night at 1 o'clock the cry of fire came from Aberdeen, the Church bell, schoolhouse bell and whistle of the ferryboat Laurance informing the sleeping inhabitants of the two communities that something unusual was happening.

It was soon known that the Martin & Reide Tanyard Property was on fire. With no means for fighting the fire and the unseasonably early hour, it was quickly seen that the property was doomed and grave fears felt for the houses surrounding.

Most fiercely did it burn, and the illumination cast over Maysville was sufficient to read a newspaper.

It could not be learned accurately what the loss will be, but it is estimated at \$50,000, \$5,000 of which was new stock ready to ship today by boat.

The loss is a severe one to Aberdeen, to say nothing of the owners' loss. Its ceasing removes the oldest landmark.

It is doubtful if the industry will be rebuilt.

The night watchman, Mr. Botts, has put out thirty-two fires in the twenty-five years he has served in that capacity.

He is of the opinion that the fire was of an incendiary origin.

**A CHILD ENJOYS**  
The pleasant flavor, gentle action and soothing effect of Syrup of Fig, when in need of a laxative, and if the father or mother be constipated or bilious, the most gratifying results follow its use, so that it is the best family remedy known and every family should have a bottle. Manufactured by the California Fig Syrup Co.

## DRINK PURE WATER AND ENJOY GOOD HEALTH

The long-continued drouth throughout the county has made the question of stock water a serious problem. Many farmers are compelled to haul water for miles, and some of those in the interior who are not fortunate enough to possess good springs or wells come all the way to the Ohio to get enough of the precious fluid to keep their stock alive. What must be the condition of the wells and cisterns in a section where there has practically been no rain all summer? Can what water remains be pure, unaltered or fit for household purposes? These are questions that require no answers.

**DRINK PURE WATER AND ENJOY GOOD HEALTH.**

To have pure water equip your well or cistern with a Bucket Pump and Water Purifier. We sell them. It is the best Pump on earth for wells or cisterns. It has no superior for durability or price for wells up to sixty feet. A ten-year-old boy can draw water with ease from a sixty foot well. It will not freeze, as the cups discharge themselves, having stood the test of 35 degrees below zero. It saves its cost in doctor's bills alone in six months.

**DRINK PURE WATER AND ENJOY GOOD HEALTH.**

For every gallon of water drawn, a gallon of air is circulated through the water, thus ventilating, vitalizing and purifying the water, destroying all germs of disease and removing all impurities from the foulest well or cistern in a few days ordinary use. We also offer and recommend the I. X. L. Patent Galvanized Steel Chain Pump Curb and Galvanized Steel Tubing.

### A SUMMER SALE OF LADIES' AND GENTLEMEN'S FINE AND STYLISH

## Low-Cut Shoes and Oxfords

Will begin at our store tomorrow, Saturday. These goods, which are all newly made for this season, have been marked at about one-third of their usual selling price and are really better values than we have shown in our previous sales. We purchased several hundred pairs for this special occasion—just the right sort for summer wear—and bought them at a low figure on account of the advanced season. We are willing to share our good fortune with you, and are anxious to show how little really good Shoes cost here. The list that follows tells the story:

For \$2.48	For \$1.98	For 75c	At 35c and 40c	For 75c	At 95c	Only 25c
For \$2.48	Women's Pretty Vici, Ideal Kid and Patent Leather Oxfords, welts and turn, \$2.50 would be cheap for these beauties. ### THE BEEHIVE

## IT'S ABOUT AS EASY

To mend a smashed egg as a broken promise; and what is an advertisement but a solemn promise that the store making it is in honor bound to redeem it? This is pure one-hundredth advertisement, and much as we rely upon the strength of the offerings to draw trade to our store, more so yet do we lean for support upon that unbroken chain of advertisements that are now THIS STORE'S history, each one of which you have tested and found NOT WANTING.

We have just received a beautiful line of Lawns for August dresses and a full line of Laces for trimmings. We are selling Lawn for dresses every day, and why? Because we are not like the old foggy merchant that keeps one price for you to refuse; we keep a full line for you to choose.

Whatever you need we keep, and whatever we keep you need.

P. S.—As the paper goes to press we wish to announce that we have just received All-Over Laces for yokes from 25c to \$2 per yard; Galloons from 10c to 39c per yard.

### THE HOME STORE D. HECHINGER & CO.

George, little son of Mr. and Mrs. George Hunt of the Sixth Ward, is seriously ill.

Portsmouth is in great luck. In response to solicitations of local citizens, Mr. Andrew Carnegie has offered to donate \$50,000 for a free library building if the city will furnish a site 200-125 feet, and pledge itself to maintain the Library at a cost of not less than \$5,000 a year.

## WITHOUT BENEFIT of PROFIT

We can't sell goods—nor can any one. We're often amused when a customer tells us "Mr. So-and-so" sells a dollar article for 75c. No doubt he gives a good 75c worth but no man is in business for fun. The great question is to get the best possible value for the money for you can't buy goods for less than cost—unless something's the matter with the goods.

Today we're going to tell you of the best linen values we ever offered. Reliable merchandise that will give you the finest linen you ever had for 29c and 35c.

At the latter price only three pieces. The colors are helio, blue and cardinal with Roman stripes in effective contrasts. The material is pure linen with a silk finish. Banded in white, nothing more stylish could be pictured for Rimonas and tea jackets while coolness and long wear are linen characteristics you know.

35c yard. Same width in linen not quite so fine for 29c. Checks and stripes 10 patterns in all.

### MRS. JOANNA TOLLE.

Death Claims This Good Woman, After A Long Illness.

Death visited the home on East Second of Mr. Henry Tolle at 3:30 this morning, and a devoted wife and mother answered the final call.

For the past ten months Mrs. Tolle has been suffering from cancer of the throat, and in spite of the best medical aid and careful nursing the disease gained the ascendancy and her death resulted.

Joanna Whittington was born in Clermont county, O., forty-five years ago, and when twenty-three years of age was united in marriage to Mr. Henry Tolle.

Of this union two children were born, Misses Mamie and Clemmie Tolle, and to these lovely girls the sympathy of the entire community goes out in their great loss.

Besides her husband and children and two step-children, Mrs. Walter R. Tolle and Mr. Blair Tolle, Mrs. Tolle is survived also by her mother, Mrs. A. M. Whittington; four sisters—Mrs. Clemmie Throckmorton, Fairview, Tenn.; Mrs. Mary Perry, Fairview, Tenn.; Mrs. Fannie and Bettie Whittington of this city; and two brothers—Edward of this city and Charles M. of Lake Providence, La.

Mrs. Tolle has long been a faithful member of the Christian Church. The arrangements for the funeral had not been completed when Mrs. Lincoln went to press.

### BOARD OF TRADE.

Important Matters Brought Up at Last Friday's Meeting.

At a meeting of the Board of Trade, held Friday evening last at Council Chamber, quite a number of matters of importance to the city were discussed, and among other things a resolution, indorsing the Elks Fair and tendering the management the hearty support of the Board of Trade, was adopted. It was also suggested, and resolution adopted and a committee appointed, for the purpose of asking business houses to close at 1 o'clock on the afternoon of the first day of the Fair, and all attend the opening days' exercises in order to make it a grand success, and in this way encourage the management. It is to be hoped that all of our citizens will join heartily in an effort to make this occasion one of pleasure and of lasting benefit to the city.

The matter of securing accommodations for persons bringing stock to our city on County Court day was referred to a committee to report on the subject. Heretofore there has been no suitable place for persons to leave stock after same has been brought to the city for the purpose of sale. The Board of Trade is to provide a suitable place where horses, cattle, sheep and hogs may be confined and be secure from injury, and also relieve our citizens of any annoyance on account of their presence on the sidewalk.

The matter of free ferrage was also discussed and a plan somewhat different from what has been heretofore used will probably be inaugurated this fall. The matter of an electric road from Mayville to Germantown, thence to Mt. Olivet and return by way of Mayfield, was also discussed, and a committee appointed to correspond with parties who will likely promote the enterprise. This line will certainly be a very advantageous addition to our facilities for drawing trade from the surrounding country.

The Board of Trade feels gratified over the fact that through its efforts a tobacco factory is soon to be established in our city, and the Tobacco Fair will be held again this winter, as through the medium of the Tobacco Fair and its advertisements the parties who are going to locate the tobacco factory in our city were brought here.

## From Infancy To Age

Laxakola for Babies. It is the best and most effective laxative for children. BEST because it is safe and unobtrusive; it does not irritate the bowels. BEST because it is non-irritating and never gives or causes pain or irritation. BEST because it is sure and never fails. BEST because "Children like it and ask for it." BEST because its tonics are so good and so strengthening that it keeps the little one in fine, healthy condition. It is a dangerous thing to give little babies violent cathartics that rack and rend their little bodies. DON'T DO IT—five times Laxakola. For constipation, colic, worms, simple colds and fevers it is invaluable.

Laxakola for Young Girls on the threshold of womanhood, has been found invaluable. When they feel constipated, the eyes dull, the head, feet and hands cold, appetite gone or abnormal, and their system generally run down, they need building up, and their bowels need cleansing. Give them Laxakola, its gentle action to cleanse and its tonic properties to build up the system, and you will find it most beneficial results.

Laxakola for Mothers. It is particularly valuable and useful to women, especially mothers, as it is a gentle and safe remedy to use during all conditions of health whenever their peculiar and delicate constitutions require a mild and efficient laxative and tonic, while to nursing mothers, worn out with the care of infants and whose systems are particularly susceptible to disease Laxakola is particularly adapted.

It cleans the complexion, brightens the eyes, sharpens the appetite, removes indigestion and blemishes of the skin and cures skin blemishes to a certain degree by removing their cause. To women suffering from constipation, indigestion, biliousness, dizziness, salivaceous of the skin and dyspepsia, Laxakola will invariably bring relief.

Laxakola for Old Folks. In the Autumn and Winter months, when the various organs through long years of action have become more or less sluggish, it becomes necessary to stimulate them by some remedy best adapted to that purpose. That Laxakola is such a remedy is proved beyond all question. Its gentle warming, soothing action on the bowels, liver and kidneys, stimulates all increased activity, cleanses the blood, quickens the circulation, and puts the whole system in a condition of health that enables it to ward off all the troubles of old people as the system and keep it healthy.

## Laxakola Does It.

Laxakola is the most efficient of family remedies, but for most economical because it comes in a small bottle, and a small box. Laxakola is sold by all druggists, or by mail from the Laxakola Co., 101 Nassau St., N. Y., or 310 Broadway, St. Louis.

## LIGHTING AT SEA.

A Lake Vessel Struck and Totally Destroyed by Fire Near Menominee, Wis.

CREW THOUGHT TO HAVE BEEN LOST.

A Fire Tug Started Out to Render Any Assistance Possible to the Ill-Fated Craft.

When About Three Miles Out All Signs of the Boat or Fire Disappeared—No Wreckage Was Found.

Marquette, Wis., July 22.—During a severe electrical storm Sunday morning a boat supposed to be a tug, schooner or steam barge was struck by lightning and destroyed by fire and her crew is thought to have been lost.

The light keeper at Menominee saw the boat burning just south of Green Island. He called up the local fire tug and the latter started out to render any assistance possible, but when about three miles out all signs of the boat or fire suddenly disappeared. An examination afterwards showed no wreckage. The nearest land is Green Island, and the crew, if they escaped with their lives, would have gone there. There was a heavy sea running, and it would have been almost impossible for a small boat to live in it.

## CABLE CAR WRECKED.

Nine Passengers Were Seriously Injured and Several Others Hurt in Chicago.

Chicago, July 22.—Nine passengers were seriously injured and several others painfully lamed in the wreck of a Madison avenue cable car Sunday. The train was running at full speed when the grip car was suddenly brought to a halt by a defective cable rope. The trailer broke from the track, rose up and crashed with terrific force into the rear of the grip car. The shock was so great that the passengers were thrown from their seats, several landing in the street head foremost and others falling against the seats and sides of the cars.

## GEN. SAMUEL T. CUSHING.

Former Commissioner General of Subsistence Expired at His Home in Washington.

Washington, July 22.—Brig. Gen. Samuel T. Cushing, U. S. A., retired, formerly commissary general of subsistence, died here in the city, after a long illness, at his home, 1500 Massachusetts avenue, Sunday. He was appointed to the military academy from Rhode Island in 1855 and served through the civil war, near the close of which he was appointed major for faithful and meritorious service. He entered the commissary branch in 1863 as a captain and rose to the rank of brigadier general and commissary general of subsistence January 29, 1898. He was retired on April 21 of the same year.

## A JOINT RAIDED.

Seven Women at Eldorado, Kan., Demolished a Tub Full of Bottled Beer.

Eldorado, Kan., July 22.—Seven women, headed by Mrs. I. T. Grover, president of the local W. C. T. U., entered a "joint" run by a man named Busch in a tent in the center of town, and demolished a tub full of bottled beer. They took a sample of the liquor to the sheriff, who later ordered the "jointists" to quit business. Five hundred people gathered to see the raid was in progress. "Jointists" in another part of the town loaded their stock into a wagon and disappeared.

## BOTH VESSELS DAMAGED.

Weimar, of the North German Lloyd Line, and the German Steamer Caesar Collided.

Flushing, July 22.—The North German Lloyd steamer Weimar, Capt. Formes, which left Antwerp Sunday for Adelaide and other ports by way of Southampton, Genoa and Naples, came into collision with the German steamer Caesar, from Antwerp and Calcutta, Sunday. Both vessels were damaged. The Caesar was beached at Wellington, near Flushing.

## Four Killed by a Train.

Lebanon, N. H., July 22.—A car carrying four persons was struck and killed by a train at Lebanon, N. H., Sunday. The car was carrying four persons, three of whom were killed and one was seriously injured. The car was struck by a train of the Boston & Maine road shortly after midnight and all four were instantly killed.

## MRS. KRUGER DEAD.

The Aged Wife of the Ex-President of the Transvaal Passed Away Sunday.

Pretoria, July 22.—Mrs. Kruger, wife of ex-President Kruger, is dead. Mrs. Kruger's long separation from her husband, combined with the death of her favorite son, Mr. Smith, last week, had completely broken her spirit.

Mr. Klotz and many other members of the Kruger family were at her bedside when she passed away. London, July 22.—"Owing to the Sunday telegraph hours in Holland," says a dispatch to the Daily Mail from Hilversum, "Mr. Kruger was not informed of his wife's death until the evening. The news was broken to him by Dr. Heymans and Secretary Boschman. Mr. Kruger, who had just returned from Hilversum church, burst into tears and asked to be left alone."

The Transvaal and Free State flags flying above the white tent were draped and half-masted. Shortly before the news came a crowd of country girls had been singing a folk song outside the villa.

The morning papers published kindly editorials concerning the death of Mrs. Kruger and expressed sympathy with Mr. Kruger. The Times writes thus:

"The English people will feel genuine sympathy with the widow of the president of the Transvaal in the severe domestic bereavement which has befallen him."

This is followed by a eulogy of Mrs. Kruger.

## THE HEAT IN IOWA.

Thermometers Throughout the State Registered From 107 to 113 Degrees in the Shade.

Sixth City, Ia., July 22.—The maximum temperature here Sunday was 108 between 3 and 4 p. m. For six hours the mercury stood at 102 or higher.

Dubuque, Ia., July 22.—All high temperature records dating back 4 years were broken Sunday. At 7 a. m. 84, 4 p. m. 107, 7 p. m. 102, were the thermometer readings, and on the street 111 to 114 were noted. There were many prostrations, but no fatalities.

Keokuk, Ia., July 22.—The weather bureau thermometer reached 107 Sunday afternoon, two above previous record of July 19, and three above any previous record for 30 years. It was 103 at 7 p. m. No prostrations on account of the dryness of the atmosphere.

## THE TAYLOR BROTHERS.

Edward Shot and Killed By Warren Brewster and Frederick Taylor Wounded By Clay Corder.

Clinton, Ill., July 22.—At 10:15, a small town ten miles east of here, Warren Brewster shot Ed Taylor, who died instantly, and Clay Corder, Brewster's partner, shot Fred Taylor, brother of Ed Taylor, in the arm. Corder and Brewster are both under 21 years old, and came here from Danville, Ky., last spring. A few weeks ago they had trouble with the Taylor brothers, who presented remarks they had made about the death of the Taylor brothers. Brewster was arrested at 10:15. Taylor Saturday night they met the Taylor brothers and began shooting. Brewster and Corder are in jail at Clinton.

## THE ORDER OBEYED.

District Court at Ft. Scott, Kan., Issued An Injunction Ordering All the Saloons Closed.

Ft. Scott, Kan., July 22.—The district court has issued an injunction ordering all saloons in town closed, and it has been obeyed. The order came as a result of evidence obtained by three local ministers and several church members, who visited the different saloons and bought whiskey and beer. Suit will be brought against each keeper and the owners of the buildings used for saloon purposes for violating the law. The law, passed by the legislature, has been passed by the legislature.

## FIREBUGS AT WORK.

Eighteen Fires in Four Weeks in Madison, Ill., Caused a Total Loss of \$2,400,000.

Madison, Ill., July 22.—Eighteen fires here in the last four weeks have caused a total loss of \$2,400,000. The city authorities have been destroying gambling outfits and enforcing the law against other forms of vice, and the fires are believed to have been retaliatory.

Vigilant committees will be appointed to act as extra guards, to patrol the business and residence portions of the city.

## TORRID WEATHER.

All Records in St. Louis for Intense Heat Were Equalled Sunday Afternoon.

THE THERMOMETERS REGISTERED 106.

The Parks Were Thronged All Day and Late into the Night by Thousands of People.

The Governor's Proclamation to Pray For Rain Was Generally Observed in St. Louis. All the Churches in the City.

St. Louis, July 22.—On Sunday, the day that Gov. Dockery designated for fasting and prayer that the present drought might end in Missouri, the highest records for hot weather ever attained in St. Louis were equalled. The weather bureau thermometer registering 106 degrees in the shade. On the street and in exposed places the mercury went many degrees higher. The high record up to Sunday was 106, made in the early eighties. From 7 a. m. Sunday, when the thermometer showed 99 degrees, until 3:30 p. m. the mercury steadily climbed. Hardly a breath of air stirred all day and the little breeze that did circulate came as from a furnace. The parks were thronged for fasting and prayer that the present drought might end in Missouri.

The governor's proclamation to pray for rain was very generally heeded, nearly every church in the city holding well attended services. The proclamation. This is the second proclamation of this kind ever made in Missouri. 1872 Gov. Charles N. Harlin called upon the people of the state to pray for relief from drought and plague of grasshoppers.

Gov. A. M. Dockery's proclamation issued on July 15, is in substance as follows:

"Whereas, The prevailing drought is widespread and disaster threatens our commonwealth; and

"Whereas, Many earnest Christian people have petitioned that a day of fasting and prayer be appointed;

"Therefore, Be it known that Sunday, July 21, is hereby set apart as a day of fasting and prayer that the threatened disaster may be averted; and to this end the people are requested to assemble at their usual places of worship to invoke the blessings of Almighty God."

## A HOT DAY IN CHICAGO.

Thermometers Registered 103 Degrees With Hot, Stifling Wind Like a Furnace Blast.

Chicago, July 22.—All heat records since the establishment of the weather bureau in Chicago, 30 years ago, were broken Sunday, the government thermometer registering 103 degrees. Down on the street it was from five to five degrees hotter, and to add to this suffering, a hot, stifling wind, like a blast from a furnace, blew all day from the south. From 10 o'clock in the morning, when the thermometer registered 77, a gradual rise followed, until at 4:30 Sunday afternoon the top notch had been reached. By 7 p. m. the thermometer was 103, and the hot wind veered around toward the lake and caused a drop to 95 at 8:30 Sunday night.

Protestations were numerous, and police ambulances were kept busy taking care of persons who were overcome on the streets.

Peoria, Ill., July 22.—The heat was a record breaker Sunday, being from 110 to 115 in the shade.

## IN NEBRASKA.

Sunday Was the Hottest Day in Omaha in 27 Years—Temperature 105 Degrees.

Omaha, July 22.—With the exception of July 26, 1894, on which the temperature reached 105, Sunday has been the hottest this city has experienced in 27 years. The mercury stood at 99 at 11 o'clock, gradually going up to 104-5 at 4:15 p. m. At 6 p. m. it dropped to 104.

There was not a trace of rain anywhere in this vicinity, and what little wind there was came from the south.

Madison, Wis., July 22.—This was the hottest day known in the official record here. The government thermometer at Washington observatory registered a maximum temperature of 104 degrees. The highest previous known record was in 1856, when 106 degrees was reached.

## Will Retire From His Post.

Bruno, July 22.—Count De Lichterfeld, Belgian minister to the United States, will retire from that post at his own request. He will be succeeded by Viscount De Beughem de Houthem, councillor to the Belgian legation in London.

## Secretary Root in Washington.

Washington, July 22.—Secretary Root, who has been in the city of engineers, and Col. Randolph, chief of artillery, has been making an inspection of military posts in the west, returned to Washington Sunday evening.
